- ✓ Must have distinct **Unit Pages** (Unit # and title) with large tabs.
- ✓ Must have distinct **Chapter Pages** (Chapter # and title) with smaller tabs.
- ✓ **Guided Reading Questions** (graded separately as HW) must be downloaded, answers to questions neatly HAND-written, and filed in appropriate chapter. If possible, double side pages to save paper!
- ✓ **MUST** have a binder cover with “**AP Biology**” and your **name/block**. Be creative with your cover. Make it your own! 😊

Class Handouts

25 points

- ✓ Must be located in appropriate chapter. For example, your summer assignment color plates should be in Chapter 5.
- ✓ Use large sticky notes to tag any assignment with a **MATH** application. This will really help when you are preparing for the **MIDTERM** Exam!
